MEMORANDUM FOR THE RECORD

Morning Meeting of 19 December 1967

25X1 [REDACTED]

Godfrey advised that the report on aid to the Yemeni royalists is ready for distribution.

Godfrey reported that, in connection with the alleged sighting of Chinese markings on MIG's over North Vietnam, a readout of

25X1 [REDACTED]

25X1 [REDACTED]

Warner reported that Senator Milton Young was briefed yesterday, that Senator Bayh is being briefed today, and that Senator Miller will be briefed tomorrow. Senator Mundt is scheduled to visit NPIC tomorrow.

DD/P reported that messages will be sent to all FE stations in countries which the President could conceivably visit, and the Director requested that such messages enjoin station personnel to engage in no speculation with other U. S. mission members about a possible Presidential visit.

DD/P drew attention to [REDACTED]

25X1 [REDACTED] comments on the internal situation in North Vietnam.
